

# ACT Public Health Forum 2008

A forum for people interested in contributing to public health thinking and practice in our region

**WHAT:** An opportunity for people working in public health, health promotion and primary health care in the region to display and discuss their work, network and learn from each other. The Forum is a joint initiative of the Australasian Faculty of Public Health Medicine, ACT Health, the National Centre for Epidemiology and Population Health, the Public Health Association of Australia, the ACT Division of General Practice, the Australian Health Promotion Association, the Australasian Epidemiological Association, the Australian National University Medical School and Winnunga Nimmityjah Aboriginal Health Service.

**WHO:** Public Health physicians, GPs, government officers, practice nurses, NGOs, academics, students and anyone else interested in public health.

**WHEN:** Thursday 23 October 2008

**FORUM:** 8.15am to 4.30pm. **OPTIONAL:** Canapés and soft drinks from 4.30pm onwards.

**COST:** Free. Lunch and refreshments will be provided.

**WHERE:** Rydges Capital Hill, Corner Canberra Avenue & National Circuit, Forrest ACT.

## ABSTRACTS

All abstracts will be considered and offered either a poster or oral presentation - please nominate your preference. Oral presentations will be 10 minutes with 5 minutes for questions. Please email your abstracts of 250 words or less to Laura Lallenec at [laura.lallenec@act.gov.au](mailto:laura.lallenec@act.gov.au).

**DUE DATE FOR ABSTRACTS:** Friday 3 October 2008.

## RSVP

RSVP by Friday 3 October 2008 to Laura Lallenec at [laura.lallenec@act.gov.au](mailto:laura.lallenec@act.gov.au). Please indicate whether you will attend the canapé session, forum or both.

For further information please call Laura Lallenec, Office of the Chief Health Officer, ACT Health on 6205 0853.

Note: Professional bodies may like to seek CME points for this event.
