

Thank you for your email received recently.

If you require a response, please write to me by faxing to 08 8223 1750 or by post to Ground Floor, 75 Hindmarsh Square, Adelaide, SA 5000.

In addition to writing letters to me, making personal visits and telephoning me, many people email me from all around Australia, plus some from overseas. Thank you for understanding that as a Senator for South Australia, I give priority to concerns which South Australians raise with me, and might not be able to respond to all correspondence from other places.

Thank you again for getting in touch.

Yours sincerely

Mary Jo Fisher
Liberal Senator for South Australia
