

May 2011

Injury Prevention Special Interest Group Annual Workplan 2011

Priorities/PHAA Strategic Plan 2010-2013

Policies for Revision

- Firearms
- Hot Water Temperature and Scald Burns Policy
- Smoke detector in residential housing policy

Advocacy

- Increased support for Injury Prevention at National and State levels including increased resourcing

Liaison with other Organisations

- AIPN
- Royal Australian Association of Surgeons
- Faculty of Public Health Medicine
- NIPWG (which is focussed on falls)
- SSSM to have systems support for a wider range eg road transport

Liaison with National Office

- Increased focus on the IP recommendation from 2010 workshop and conference

Liaison with SIG members

- Undertake a survey of IP SIG student members

Scholarships

Nothing this year.

PHAA Annual Conference

- **Annual Conference Abstract review process**
SIG members will review abstracts on themes relevant to their SIG.
A lead reviewer from the SIG committee will coordinate with reviewers, respond to reviewer queries, review any abstracts due to conflicts of interest, and determine the allocation of abstracts to sessions.

SIG workshops at/prior to Annual Conference

- Workshop on alcohol and injury prior to the conference with the Health Promotion SIG
- Roundtable on alcohol and injury during the conference

Administrative

- Minutes for SIG teleconferences
- Annual General Meeting
- Finance
- Annual Report
- Election of Officers
