Scholarship opportunities for the Preventive Health Conference 2024

Applications are open for three scholarships to attend the Preventive Health Conference 2024, 30 April through 2 May, 2024, in Darwin. One scholarship is available in each of the following three categories: general, Aboriginal and Torres Strait Islander people, and student. More than one scholarship may be awarded in any category if there are no successful applications in another category. These scholarships are intended to facilitate individuals who would not normally be able to attend the conference, to participate in this exciting PHAA event. Applicants should be studying, working or have an active interest in, a broad area of public health. Applicants do not have to be a PHAA member to be eligible. The award will comprise funds of up to \$1500.00 to support conference registration, accommodation and PHAA membership for the current or next financial year (depending on the awardees membership status).

ELIGIBILITY

- The applicant must reside in NSW.
- The applicant **does not** need to be an existing PHAA member as the opportunity is open to existing members and non-members with an interest in public health.
- To be eligible for the student scholarship, you must be a student in a public health degree or similar degree, at a registered university.
- To be eligible for the Aboriginal and/or Torres Strait Islander scholarship, you must identify as being of Aboriginal and/or Torres Strait Islander descent.
- We encourage diversity and inclusivity and applicants from all backgrounds are encouraged to apply.

APPLICATION GUIDELINES

- Applicants must complete the Application Form below or a short video (maximum 2 minutes) and attach a brief curriculum vitae (no more than **two** pages) and submit as one document. Material beyond two pages (written) or 2 minutes (video/audio) will not be assessed. Applicants should include details of their interest in public health.
- Applications close **COB 5pm Sunday 10 March 2024**.
- Please email applications to the PHAA NSW Branch, (Attention Dr Heike Schütze) (nsw@phaa.net.au). Please contact Heike at the above email address if you have questions on the application process or require assistance.

SELECTION PROCESS

The NSW PHAA Committee will select awardees based on:

- Applicants' anticipated benefits of attending the conference.
- Applicants' contribution to public health through public health practice, voluntary work, community-based activities, research, or PHAA committees or events.
- Preference will be given to applicants who have not previously been awarded a PHAA scholarship.
- Preference will be given to applicants who are not presenting at the conference or who are otherwise already attending the conference.
- Successful applicants will be contacted in the week commencing 18 March 2024.
- Successful applicants will be required to write a half-page article or prepare a 3-5 minute video about what they gained from attending the conference.

Scholarship for Preventive Health Conference 2024
